Over its 25 years, the SAG Awards has become one of the awards season's premier events, attended by a who's who of film and television. Of the top industry honors presented to actors, only the SAG Awards are selected entirely by performers' peers in SAG-AFTRA, which this year numbered 121,544 eligible voters. The SAG Awards was the first televised awards show to acknowledge the work of union members and the first to present awards to motion picture casts and television ensembles.
